Context

My brother who is 5 years elder to me came to me once again asking for money. He almost never pays me back unless I remind him multiple times. Last week he asked for \$150 for his electricity bill...

Question

aita for refusing to lend money to my brother once again?

2 Generating Figurative Variants

Question

aita for refusing to lend money to my brother once again?

Rewrite the question using GPT-5-mini

Metaphor

aita for closing my wallet's door to my brother again?

Hyperbole

aita for refusing to lend money to my brother after he's asked me a thousand times?

Sarcasm

aita for having the incredible audacity to not lend money to my brother once again?

Simile

aita for refusing to lend money to my brother because he keeps coming back to me like a customer returning to the same ATM?

3 Evaluation

On a scale of 1 to 7, give your decision if the user is an asshole

- 1 – Strongly Disagree (definitely not an asshole)
- 2 – Moderately Disagree
- 3 – Slightly Disagree
- 4 – Neutral
- 5 – Slightly Agree
- 6 – Moderately Agree
- 7 – Strongly Agree (definitely an asshole)
